PROPOSAL FOR RESOLUTION ON AUTHORIZATION FOR THE BOARD OF DIRECTORS REGARDING TRANSFER OF OWN ORDINARY SHARES

The board of directors of Alligator Bioscience AB, Reg. No. 556597-8201, proposes that the annual general meeting on 7 May 2024 resolves to authorize the board of directors to, for the period up until the next annual general meeting, resolve on transfer of not more than 51,165 own ordinary shares, for the purpose of hedging cash flow for social security payments that may occur in relation to LTI 2021. Transfer of shares shall be effected on Nasdaq Stockholm at a price within the, at each time, prevailing price interval for the share. The number of shares that may be transferred shall be subject to recalculation in consequence of an intervening bonus issue, split or reverse split, rights issue, and/or other similar corporate action which affects the number of shares in the company. Shares may also be transferred outside of Nasdaq Stockholm, with or without deviation from the shareholders' preferential rights. Such transfer may be made at a price corresponding to the market price at the time of the transfer for the ordinary shares that are transferred, with the deviation deemed appropriate by the board of directors.

For a valid resolution, the proposal has to be supported by shareholders representing at least two-thirds of the votes cast as well as of all shares represented at the annual general meeting.
