Proposal for resolution to authorize the board of directors to issue warrants

The board of directors of Alligator Bioscience AB, Reg. No. 556597-8201, proposes that the extraordinary general meeting on 26 August 2026 resolves to authorize the board of directors to, on one occasion during the period until the next annual general meeting, with deviation from the shareholders' preferential rights, resolve to issue warrants. The warrants shall be issued free of charge.

The purpose of the authorization as well as the reasons for the deviation from the shareholders' preferential rights and the warrants being issued free of charge is to enable an issue of warrants to Fenja Capital II A/S ("**Fenja Capital**") as part of the restructuring of the company's existing loan agreement with Fenja Capital as described in the company's press release from 23 July 2026.

The resolution is conditional upon the meeting also resolving in accordance with items 6–9 in the notice.

For a valid resolution, the proposal must be supported by shareholders representing at least two-thirds of the votes cast as well as of all shares represented at the meeting.

The company's CEO shall be authorized to make such minor formal adjustments of the resolution as might be necessary in connection with registration with the Swedish Companies Registration Office (Sw. Bolagsverket).
